

Dear Parents/Carers,

Please note that children will now be sent home with multiple weeks' worth of spellings. This is due to a whole school agreement that it will enable you and your child to be better informed and will prevent spellings being missed due to absence. The expectations of learning eight spellings a week is still the same and we will send home a weekly 'look, cover, write, check' sheet on which we will put your child's spelling test score from the previous week.

Many thanks,

Mr Roe and Mr Watson
